Fatal Fifties Affair

by Eileen Moushey
~ Rated PG-13

What happens when the cast of
a popular 1950's TV show
reunite? Well, there will be
lots of friendly nostalgia to
talk about! A look back at a
kinder, gentler time is bound
to be punctuated with a little
murder here & there.

Figure it out while you enjoy
a night of great food and fun!

**Presented by the
Showoffs Theater Group
